

Dr. Georgievich Makarov Viatcheslav

Nivel máximo de estudios: Doctorado

Categoría Laboral: Prof. Titular "B"

Categoría Académica: Prof. De Asignatura

Nivel SNI: 1

Área de Adscripción: Oceanografía Física

Área de Investigación: Modelación Numérica Aplicada a Procesos Dinámicos del Océano

Producción científica y académica reciente:

Investigación:

- Estados multisinmétricos de equilibrio y la estabilidad de los vórtices baroclinicos cuasi-geostroficos
- El análisis numérico de la estabilidad de los estados de equilibrio de los remolinos cuasi-geostroficos.
